PEPPERS AND BENTLEY TO MEET IN STEEL CAGE SHOWDOWN!

FORMER BEST FRIENDS AND TAG CHAMPIONS SQUARE OFF IN A SOLD STEEL CAGE AT THE MANITOBA MUSEUM

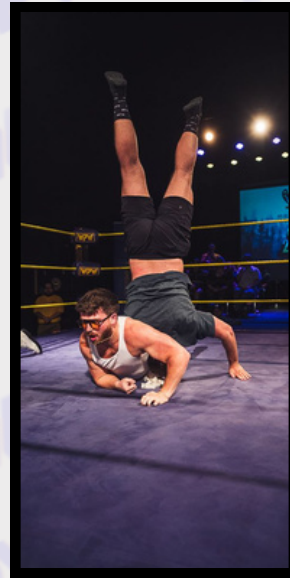

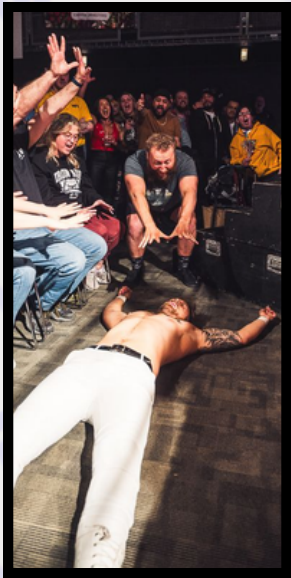

Written by Barbara Bray | Photos by Dwayne Larson

The biggest story of 2024 was without a doubt the betrayal of Sammy Peppers by his best friend Bryce Bentley. In May 2024, Bentley chose to lose the WPW Tag Titles in favour of dissolving his partnership and friendship with Sammy Peppers. Since then it has been constant attacks, insults and unfortunately for Peppers, a win for Bentley at RUMBLE IN THE BURT.

As badly as Bentley may want to put Peppers in the rearview mirror of his Cybertruck, Peppers clearly isn't willing to move on so easily. The two came to blows several times during the 8-Man WPW All Star Tag Match at STOGED, but Bentley managed to escape unscathed. Both men entered the 2025 VOYAGEUR CUP Tournament, but even after Bentley stated he was "done" with Peppers, he still interfered in his match and cost him the victory. The next night during Bentley's Quarter Final match Peppers would get a bit of revenge and help Schink defeat Bentley by count out.

After the match, Peppers was looking to finish the job early and take Bentley out before their match at the Museum, but Bentley's new BFF Scott Ripley the Third jumped on Peppers and the newly formed NÜ MONEY team beat Sammy Peppers mercilessly, busting him open in the process!

Fifteen feet of steel will surround these former best friends, no one will be able to get in or out and the score will finally be settled. Red Hot Summer has imploded... are you ready Winnipeg?!

FULL VOYAGEUR CUP RESULTS: BOBBY TAKES HOME THE CUP!

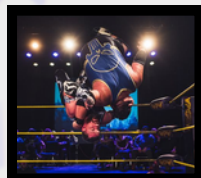

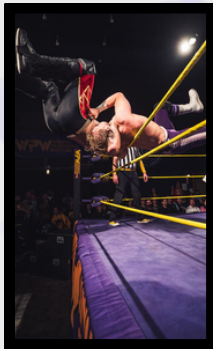

16 MEN, 2 NIGHTS, 1 HUGE PRIZE: THE MAIN EVENT OF RUMBLE IN THE BURT

Written by Elizabeth Mancini | Photos by Dwayne Larson

The 2025 WPW VOYAGEUR CUP was two nights of intense action and that left shockwaves through the entire WPW landscape. Night One saw blow away matches like Gringo Loco and AJ Sanchez and Brent Banks and Warhorse. Night Two saw Merv ruin ATM's quest for the cup, interfering in the match as a temporary referee, BRAX taking out CHEEKS from the tournament, Dynamite Kid and Warhorse having a rematch of their January bout, but this time Billington came out on top. Bobby Schink and Tommy Billington each won three matches and faced off in the finals, with Schink taking home the cup. Be sure to check out both nights of action at www.watchwpw.com!

SANCHEZ AND SCHINK HAVE THEIR PARTNERSHIP TESTED AT NORMAL KOMBAT

FORMER ENEMIES TURNED TAG CHAMPIONS FACE OFF FOR THE FIRST TIME SINCE JOINING FORCES - HOW DID IT GO?!

Written by Sid Carreiro | Photos by Dwayne Larson

The WPW Tag Team Titles will be on the line at FIGHT AT THE MUSEUM III when two of Saskatchewan's best in Michael Allen Richard Clark and Shaun Moore challenge champions Bobby Schink & AJ Sanchez.

The WPW Tag Champions had their new partnership tested as both men met in the semi finals of the VOYAGEUR CUP Tournament. Schink came out on top, but any sore feelings were quickly quelled when Gordon the Bulldog from the WHS entered the ring to cheer Sanchez up.

Schink won the 2025 VOYAGEUR CUP, granting him a WPW Championship match at October's RUMBLE IN THE BURT, but he has his hands full with some of the best teams in the indies also coming for his Tag Title. With a huge WPW Championship match the same we have to wonder: can Schink stay focused?

ROTH AND DANIELS TO MEET FOR THE THIRD TIME

DANIELS WINS THE MATCH BUT WPW'S TOP PRIZE STAYS WITH THE REAL DEAL

Written by Bruno Schofield | Photos by Dwayne Larson

Chizzled Chad Daniels and James Roth squared off at COLD OUT 3 for the WPW Championship in a rematch of last year's VOYAGEUR CUP finals. Daniels was accompanied to the ring by the monster BRAX, who took it upon himself to assault the Real Deal several times in a bid to soften him up for Daniels. The match could have gone either way, with countless near falls and the crowd on the edge of their seats. BRAX jumped up on the ring apron with the WPW Championship belt, hoping to toss it to Chizzled Chad, but was cut off by Roth. BRAX and Roth would struggle for the belt before it would finally come loose, striking Daniels across the face in full view of WPW official Alfonso Galliano.

The referee called for the bell and the match was awarded to Chad Daniels, but the title would stay with James Roth. At NORMAL KOMBAT, James Roth laid out the challenge to defend his title honourably at FIGHT AT THE MUSEUM III against Chizzled Chad. Later in the night, Chad accepted the challenge after brutally assaulting Josh "Cheeks" Holliday with his big man BRAX. At FIGHT AT THE MUSEUM III it'll be Daniels versus Roth for the third time; who will leave with the gold?!

THE MAHARAJA RETURNS TO WPW!

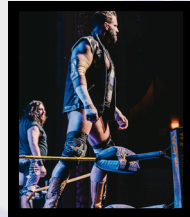

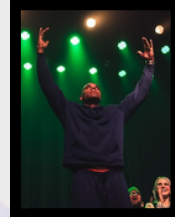

THE 50TH WWE CHAMPION CHALLENGED AMERICAN HERO MATT CARDONA

Written by Bruno Schofield | Photos by Dwayne Larson

The Manitoba Museum is set to host a showdown for the ages as former WWE Champion Raj Dhesi—the "Modern Day Maharaja" and Canada's own 50th WWE Champion—has officially called out Matt Cardona for FIGHT AT THE MUSEUM III!

Dhesi, who made history as one of WWE's most unexpected yet dominant champions, has been on a mission to prove he's still a top competitor since his return to the independents. Now, he's looking to defend his home turf against Cardona, the self-proclaimed "Deathmatch King" and reigning "GI Broski" of the wrestling world.

Will Dhesi cement his legacy as Canada's champion, or will Cardona add another fallen legend to his ever-growing resume? We'll find out April 12 at the sold out FIGHT AT THE MUSEUM: BATTLE FOR THE NONSUCH!

WILD CHILD WANTS HER BELT BACK

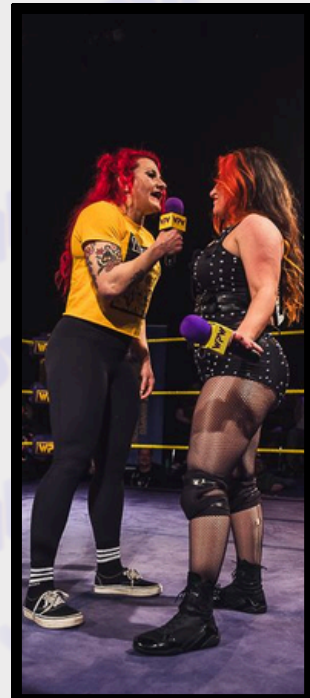

JODY IS A MAJOR THREAT TO THE LAWLESS TITLE REIGN

Written by Barbara Bray | Photos by Dwayne Larson

The WPW Women's Championship is synonymous with Jody Threat. The first Champion, the longest reigning, and the woman who put WPW on the map as a place for the top competitors in the indies. Ava Lawless' change of attitude has led her to great success, but that's come at the cost of losing the love and respect of WPW fans.

Since winning the title, the Hellion has been pelted by fans with "we want Jody" chants, but it seems those chants have only fired up the Champion even more. After her victory over Cherry Blossom at NORMAL KOMBAT, Lawless took to the mic to run down the Winnipeg crowd and taunt Jody Threat. Little did The Hellion know that The Wild Child was in town on her birthday and ready to interrupt with a challenge for FIGHT IN THE MUSEUM III!

It'll be Jody Threat versus Ava Lawless for the first time in a WPW ring for the WPW Women's Championship at the Manitoba Museum!
