ALONG CAME A SPIDER

THE ARACHNID SPINS HER WEB ON WPW

Written by Bruno Schofield - Photos by Dwayne Larson

Since Blair Onyx debuted at WPW PAIN ACTUALLY she has captivated WPW fans with her unique style and ability. Some fans have remarked that the way Onyx moves around the ring you'd think she has eight legs. Through a mixture of remarkable skill, charisma and wrestling prowess, Onyx has woven an inspiring tale of triumph. After picking up wins against Sloan, Valentina Loca and Kat Von Heez, Blair Onyx was named #1 contender for the WPW Women's Title. While she may have come up short she came extremely close to becoming the 2nd Women's Champion.

At WPW BLUE CRUSHED Blair Onyx will take on the debuting Shelly Benson - will the spider pick up another WPW win or will she get squashed like a bug?

WPW fans will find out July 28!

THE BOYS OF SUMMER HAVE COME

RED HOT SUMMER BECOME THE FIRST WPW TAG TEAM CHAMPIONS

Written by Denzel Hartford - Photos by Dwayne Larson

WPW TRUE VIOLENCE saw the crowning of the first ever WPW Tag Team Champions: Bryce Bentley and Sammy Peppers a.k.a Red Hot Summer.

Red Hot Summer's path to tag team gold has been nothing short of scorching. They had amassed several wins in WPW before coming up against Technical Difficulties at PAIN ACTUALLY 2. Technical Difficulties surprised everyone when they picked up the win and declare themselves the top team in WPW. Red Hot Summer came back the next month at COLD OUT and evened the score, setting the stage for a dramatic rubber match.

The WPW Board of Directors took note of the bustling tag team division and decided this third match needed something special: WPW Tag Team Championships. The match was set for WPW TRUE VIOLENCE.

After a brutal back and forth that saw Technical Difficulties divide and conquer, Red Hot Summer put together a massive comeback and were crowned the first WPW Tag Team Champions.

With teams like the Clandestine Society, The Billington Bulldogs and Technical Difficulties in WPW, Red Hot Summer are in for an uphill battle when it comes to holding onto the Tag Team Titles.

WRESTLER SPOTLIGHT

Written by Elizabeth Mancini - Photos by Matt Duboff

Seleyiza Sparx entered WPW for the first time at WPW FIGHT AT THE MUSEUM as a last minute replacement for Lufisto and immediately stepped up to the plate to challenge Jody Threat for the WPW Women's Championship.

A world traveled wrestler, Seleyiza Sparx is no stranger to hostile crowds. With ten years of experience under her belt Seleyiza has entered the WPW Women's Division with one thing on her mind: Championship Gold.

At WPW BLUE CRUSHED, Seleyiza Sparx will take on NWA Women's Tag Team Champion Missa Kate for the first time, and hopes that a victory over Kate will propel her back into contendership for Jody Threat's Women's Championship.

WHY TYLER WHY???

WHAT MADE THE CANADIAN HERCULES SNAP

WPW fans were elated to see the return of "The Canadian Hercules" Tyler Colton at the end of WPW ONCE UPON A TIME IN WINNIPEG to challenge bitter rival AJ Sanchez to a match. Tyler Colton made it clear he didn't come back with championship aspirations, but after his actions at TRUE VIOLENCE that clearly was not the case! AJ Sanchez accepted the challenge under a few conditions: it would have to be a tag team match and AJ Sanchez would choose Colton's partner. AJ Sanchez chose WPW General Manager James Korba and the match was set for WPW FIGHT AT THE MUSEUM. Over 500 fans packed the Manitoba Museum to see the Tyler Colton's first match in several years and cheered him onto a huge victory. Everyone was left wondering, what's next for the Canadian Hercules??

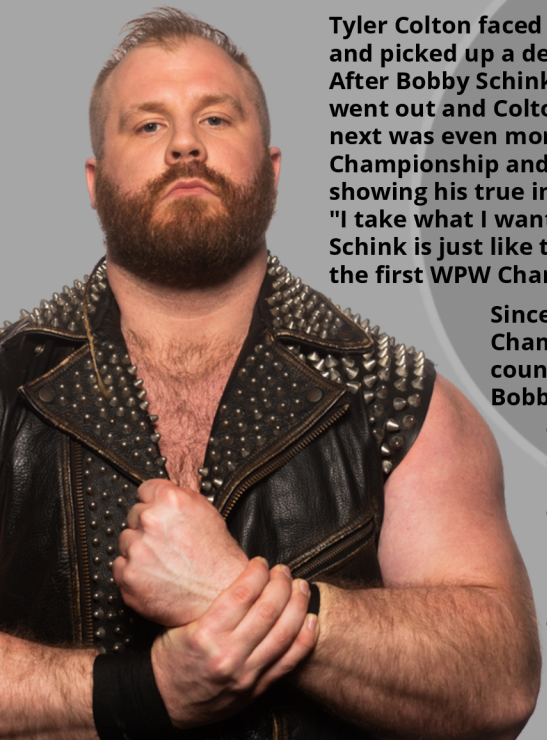

Tyler Colton faced off against Carter Mason at TRUE VIOLENCE and picked up a decisive win but he wasn't done for the night. After Bobby Schink's victory over Tommy Lee Curtis the lights went out and Colton unleashed a savage lariat. What happened next was even more unexpected, he grabbed the WPW Championship and walked out, turning his back on the fans and showing his true intentions, becoming the next WPW Champion! "I take what I want, and I want the WPW Championship. Bobby Schink is just like the WPW fans, a total idiot. I should have been the first WPW Champion, I WILL be the next."

Since then Tyler Colton has held the WPW Championship hostage, taking it around the country competing in Strongman contests, while Bobby Schink bides his time.

These two men will square off for the first time ever in the main event of WPW RUMBLE IN THE BURT, WPW's biggest show yet. Will Tyler Colton walk out as the true WPW Champion or will Sweet Bobby Schink get back what's rightfully his?

Tickets to WPW RUMBLE IN THE BURT are on sale now, available only on Ticketmaster!
