THE KID IS HOT TONIGHT

MO JABARI WON'T SLOW DOWN

Written by Bruno Schofield - Photos by Dwayne Larson

When Mo Jabari debuted at WPW DON'T TELL MOM fans knew they were seeing something special. Trained by Lance Storm and now under the tutelage of Bret "the Hitman" Hart, Mo Jabari combines several different eras of professional wrestling with a unique blend of charisma and charm.

His first match in WPW was a Championship match against AJ Sanchez, where Kid Chocolate came extremely close to upsetting the longest reigning Champ and becoming the 2nd WPW Champion. Jabari used the momentum from that match has appeared several more times in WPW, most notably in the Green Home Insulation Scramble Match at FIGHT AT THE MUSEUM, picking up the win over three other competitors. Jabari's hand was raised in front of 550 fans at the Manitoba Museum and made his intentions clear, he is here to stay.

Armed with an arsenal of elbow drops, and a deadly missile dropkick, Kid Chocolate has all the tools to be a future WPW Champion.

Kid Chocolate wrestled Chad Daniels in the Main Event of BLUE CRUSHED and fans believe he would have won had it not been for the distraction from Chad's mentor AJ Sanchez.

Jabari takes on the debuting Vaughn Vertigo August 25th at LEGENDS OF THE PINFALL!

LUCK BE A LAYNIE TONIGHT

THE PARTY UNICORN HAS GOLD ON HER MIND

Written by Graham Silver

It may be her last name but Laynie doesn't need Luck, she has the raw talent, charisma and intensity needed to be a champion in any promotion in Professional Wrestling.

After impressing fans in her WPW debut the Party Unicorn was given a shot at Jody Threat's WPW Championship and ultimately came up short, but that hasn't deterred Luck from keeping back on that horse and keeping her eyes set on Championship Gold.

Surely a win at WPW LEGENDS OF THE PINFALL will put her back into Title contention!

RUMBLE IN THE BURT

SATURDAY OCTOBER 7
BURTON CUMMINGS THEATRE

WRESTLER SPOTLIGHT

Devon Monroe

Written by Elizabeth Mancini - Photos by Dwayne Larson

"Black Sexcellence" Devon Monroe has quickly become one of the most beloved wrestlers in WPW. Debuting at OH BEHAVE in June 2022, he amassed a series of wins with his unique wrestling style and charisma. With his signature maneuver "Taste The Rainbow" the sky is the limit for this young competitor.

Devon has declared himself an entrant in the True North Rumble at RUMBLE IN THE BURT, and a win there will guarantee a shot at the WPW Championship at PAIN ACTUALLY 3. Are we looking at a future WPW Champion?

MAIN EVENT CONTRACT SIGNED RUMBLE IN THE BURT MAIN EVENT IS LOCKED IN!

Written by Denzel Goebert - Photos by Dwayne Larson

When Tyler Colton returned to WPW at ONCE UPON A TIME to challenge AJ Sanchez he made it clear: he wasn't here for a Championship, he was here for revenge. That's why fans were shocked when The Canadian Hercules attacked WPW Champion Bobby Schink at the conclusion of TRUE VIOLENCE. Did Tyler Colton change his mind or was this a part of his sick plan the entire time? To lie and deceive his way into the hearts of WPW fans only to betray them and attack their beloved Champion? Not only did he lay out a vicious lariat, he also stole the WPW Championship and walked out with the Gold.

Sweet Bobby wasn't taking this aggression lying down, and he wanted his rightful property back. He immediately laid out the challenge, Schink vs Colton at WPW's biggest event ever: RUMBLE IN THE BURT. A match of this magnitude needed a contract and both men obliged at BLUE CRUSHED. Schink attacked Colton, attempting to get his Championship belt back, but Colton got the upper hand and drove Sweet Bobby through a table. Who will walk out of the RUMBLE IN THE BURT the rightful WPW Champion? Find out October 7!

THREAT IS READY TO RUMBLE 7 TITLE DEFENSES, 7 VICTORIES

Written by Sid Carriero - Photos by Dwayne Larson

Since debuting in WPW in 2019, Jody Threat has been on a roll. The WPW Women's Champion has racked up an impressive streak of wins, defending her title seven times. Now an IMPACT Wrestling Knockout, the future looks bright for the Wild Child. Let's take a look back at Jody Threat's seven WPW Women's Championship defenses going into RUMBLE IN THE BURT.

After winning the Championship in a match with Allie Katch, Jody defended the title the next day against Taryn From Accounting in front of over 1,000 people at ManyFest.

At PAIN ACTUALLY 2, Jody took on Blair Onyx, and then in January at COLD OUT had her biggest challenge yet, Masha Slamovich! Jody picked up the win in what some are calling the match of the year. Later that night, Jody would accept a challenge from Tootie Lynn and defend her title for the second time in one night!

At WPW ONCE UPON A TIME, Jody would square off with Laynie Luck. It turns out Laynie wasn't so lucky as Jody would remain WPW Women's Champion. At FIGHT AT THE MUSEUM Jody would retain over Seleyza Sparx in front of over 550 fans, followed up by a win over Heather Reckless at TRUE VIOLENCE.

The question remains, will Jody Threat still be WPW Women's Champion after RUMBLE IN THE BURT? Find out October 7th!
